Dear Jay,

Enclosed is a \$250 check for Timothy.

This is an advance on the article titled "From Inner Space to Outer Space," by Tim and me. I also got a \$250 advance.

The publisher, Laughing Coyote Inc., promises to pay us an additional \$300 each in December when the article is published.

Please inform Tim about this as soon as possible, so that his new agent doesn't start submitting "From Inner Space to Outer Space" to other magazines.

My new address is 1090 Miller, Berkeley 94708.

De profundis ad astra,

Bob Wilson
